Re: Bingaman v. Reed Elsevier/ DN 07 CV 10673 (RWS)

Dear Judge Sweet:

This firm represents Plaintiff in the above-referenced action. We write to respectfully request an extension of time to file an opposition to Defendant's Motion to Dismiss the Complaint in this action, dated February 7, 2008.

Plaintiff's initial response time was February 27th, which was extended by the Court (on consent) until March 19th. Plaintiff now requests one additional two-week extension until April 2nd. This is Plaintiff's second request for an extension, which does not impact any other scheduled dates, other than Defendant's time to file a Reply, to which Plaintiff has consented, extending such time to file a Reply from April 16th to April 30th.

Defendant has confirmed to Plaintiff that it does not oppose Plaintiff's request for an extension and a Stipulation embodying counsels' respective consent to these extensions is annexed hereto. Thank you for the Court's consideration of this request.

Most respectfully,

Marianne F. Murray
